May 17. RAMBLER.

Won't Slight a Good Friend.

"If ever I need a cough medicine again I know what to get," declares Mrs. A. L. Alley of Beale, Me., "for, after using ten bottles of Dr. King's New Discovery, and seeing its excellent results in my own family and others, I am convinced it is the best medicine made for coughs, colds and lung trouble." Every one who tries it feels just that way. Relief is felt at once and its quick cure surprises you. For bronchitis, asthma, hemorrhage, croup, la grippe, sore throat, pain in chest or lungs it's supreme. 50c and \$1.00 Trial bottle free. Guaranteed by all dealers.

Mort Elkins and Loyd Lacy went on a fishing tour Saturday. They say they caught 40 or 50, and the largest one was at least four inches long, and yet say it wasn't a good time for fishing. The boys said they were done fishing in Lacy creek.

Clint Taylor and wife will take their little child to Winchester for a medical examination. They have the sympathy of the good people on this creek as they have had so much sickness in their family for the past year, and all should lend a helping hand.

The Sunday school at this place is progressing nicely with a large attendance. May the good work prevail throughout the country. If this was done may be the grand jury would not have so much to do, as they only turned in 223 indictments this court, and the largest part of violation was committed on the Sabbath.

Byrd McNabb, who has been in Oklahoma and several other states for three or four months, returned last Thursday delighted with the trip, but he says Kentucky is the garden spot of the world, as he didn't see a pretty woman until he got back to Kentucky.

On Tuesday, May 11, the Angel of Death again visited the home of Mr. and Mrs. Jack Sally and claimed as his own their darling little babe to dwell with him on high. It had just been one month and eleven days since death had thrown a shadow over them. Estill, as he was named, was a bright little babe of about one year and six months. He had been afflicted for almost a year, and about three weeks ago it was decided he was growing weaker, and last Saturday he was taken to Hazel Green for treatment, when they found that physical aid was of no use. We know it is hard to give them up, but we should be reconciled to God's will. While the parents are almost broken hearted in this world, he is a shining angel in Heaven where no sickness or death ever comes. The funeral services were conducted by Rev. Marion Center, of Hazel Green, and the remains were laid to rest in the family graveyard to await the coming of papa, mamma and little sister. Weep not for these little ones, for Jesus said, "Suffer little children to come unto me and forbid them not, for of such is the kingdom of Heaven."

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedy. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube be restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh, which is nothing but inflamed condition of the mucous surfaces.
